

APOLLO FACT SHEETS

We have created summary fact sheets for selected products and initiatives to give you a quick overview of specific features, benefits and applications.

Scan the QR codes on each page to find out more about Apollo's OAAV range, the next generation SOTERIA® range, the brand new Addressable Door Retainer, our black detectors and our commitment to sustainability.

More information about our business, our brand, our products and our people can be found online at **apollo-fire.co.uk**. The site enables you to access our Technical Support Team, register for training webinars and CPDs, find and download product information, including certificates, datasheets and installation guides and more.

We're here to help. If you would like to speak to our customer services team, call **+44 (0)23 9349 2412** or email **sales.enquiries@apollo-fire.com**.

THE DISCOVERY BASE SOUNDER

Simply twist & click!

The Discovery Base Sounder transforms the installation process to give you unparalleled ease, speed and reliability. With its modular design, installation is now up to four times faster – with no more hassle or awkward manoeuvres required.
